1. Introduction

Welcome to Dead West - Animated Western Weapons!

This weapon asset pack includes 5 uniquely animated Western-style weapons, perfect for cowboy-era games or stylized action shooters. Originally developed for use in our own game, these assets are optimized for Unity and come fully animated with key shapes from Blender.

2. Package Contents

- 5 Unique Western-Themed Weapons:
 - Rifle
 - Shotgun
 - Revolver
 - Knife
 - Sniper
- Reloading and Shooting Animations for Each Weapon
- Custom Reload Animations Designed for Each Model

Dead West - Animated Western Weapons

- 5 Weapon Icons (1 for each weapon)
- Game-Ready Prefabs
- Organized Folder Structure
- Unity-Compatible with Controller-Driven Animations

3. Weapon Details & Animations

Each weapon is carefully animated using key shapes in Blender, then imported into Unity with controller-driven animations for in-game control.
